& Canned Food Drive

30th—Costume Parade

## Lexia Reading Program

This year our school is participating in the Lexia Core 5 Reading Program. Students will work on Lexia in the computer lab and in their classrooms. Lexia is a self paced computer literacy program that supports student reading skills in areas such as: phonological awareness, phonics, structural analysis, fluency, vocabulary and comprehension. The Lexia program provides online activities that fit each student's individual needs. Activities include direct instruction and feedback. This additional instruction will not take the place of classroom lessons, but will be in addition to the lessons provided by the classroom teacher. Progress is monitored by Lille Gonzales and your child's classroom teacher. Your child may bring home achievement certificates to celebrate their success with Lexia.

Kindergarten GT Parent Zoom Meeting  
Oct. 6th at 5:30

Information will come home soon for parents regarding referral of Kindergarten students for Gifted and Talented testing. Please email [michelle.warren@wimberleyisd.net](mailto:michelle.warren@wimberleyisd.net) for a Zoom invite.

First and Second grade GT nominations and testing will be done in the spring.

Please write your child's name in their jackets, & on their lunch boxes & water bottles. Every year we have many unclaimed items.

## Red Ribbon Week October 26-30
